US 41 Project lane closures for September 2 – September 6

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for September 2 – September 6 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

Brown County

US 41

Drivers should anticipate various overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include shutdowns by local authorities for accidents or unusual incidents (such as weather). In addition, the following ramps will be closed:

Tuesday, September 3

- o Southbound US 41 on-ramp from Lineville Road will be closed from 11 p.m. to 5 a.m.

Wednesday, September 4

- o Northbound US 41 on and off-ramps at Oneida Street will be closed from 7 p.m. to 6 a.m.
- o Southbound US 41 on-ramp from Lineville Road will be closed from 11 p.m. to 5 a.m.

Thursday, September 5

- o Southbound US 41 on and off-ramps at Oneida Street will be closed from 7 p.m. to 6 a.m.
- o Southbound US 41 on-ramp from Lineville Road will be closed from 11 p.m. to 5 a.m.

Friday, September 6

- o Southbound US 41 on-ramp from Velp Avenue will be closed from 8 p.m. to 5 a.m.

Velp Avenue

Drivers can anticipate a 36-hour full closure of the northbound US 41 off-ramp to Velp Avenue starting at 6 p.m., Tuesday, September 3 through 6 a.m., Thursday, September 5. The closure is needed to construct a temporary exit ramp for construction of the Beaver Dam box culvert.

Hansen Road

Hansen Road bridge will be closed to vehicle, bicycle and pedestrian traffic starting at 6 a.m., Tuesday, September 3, 2013. The closure is required to accommodate reconstruction of the US 41 mainline and construct the new bridge. The bridge is expected to be re-opened in August 2014.

WisDOT has accelerated construction schedules to limit the bridge closure to one year. During the closure, traffic will use Ridge Road and Waube Lane/Oneida Street as an alternate route. Green Bay Metro will continue to provide bus service throughout the area.

WIS 172

Throughout the week, westbound WIS 172 between Ashland Avenue and Babcock Road will have single lane closures from 6 p.m. to 6 a.m. for grading operations.

WIS 29

Drivers can expect various overnight single lane closures on eastbound and westbound WIS 29 from Packerland Drive to Taylor Street throughout the week. All lanes of northbound US 41 will be closed on Tuesday, September 3 at WIS 29 from 10 p.m. to 5 a.m. for bridge work. The following detour will be in place:

Northbound US 41 traffic will take the off-ramp to WIS 29, cross WIS 29 and re-enter northbound

US 41 using the entrance ramp from WIS 29

Drivers can also anticipate the following ramp closures:

Tuesday, September 3

- o Southbound US 41 off-ramp to WIS 29 will be closed from 9 p.m. to 6 a.m.

Wednesday, September 4

- o Southbound US 41 off-ramp to WIS 29 will be closed from 9 p.m. to 6 a.m.
- o Southbound US 41 on-ramp from WIS 29 will be closed from 9 p.m. to 6 a.m.

Thursday, September 5

- o Northbound US 41 off-ramp to WIS 29 will be closed from 9 p.m. to 6 a.m.
- o Northbound US 41 on-ramp from Mason Street will be closed from 9 p.m. to 6 a.m.

Winnebago County

US 41

Drivers can expect lane restrictions on US 41 near the County G overpass construction.

All lane restrictions and work operations are weather dependent and subject to change.
